URGENT — QUALITY COMPLAINT
Customer: Aurora Pharma Formulations Ltd (API customer)
Date: 14 August 2026

Material: Metformin Hydrochloride API, IP Grade
Batch No.: MET-API-8837
Manufacturing Date: 10 January 2026
Retest Date: 09 January 2028
Quantity Affected: 25 kg drum, one unit

Description: During dispensing for batch charging, our operators identified black particulate matter distributed through the material. Visual inspection confirmed foreign particles inconsistent with the API. The drum has been quarantined and the affected formulation batch placed on hold. We require immediate investigation, root cause analysis and a CAPA response within 5 working days per our quality agreement.
